

PRESS RELEASE

Techno Brain GBS Appoints Former Microsoft Executive Orebambo “Bambo” Sofola to Board as Non-Executive Director

Nairobi — 17 June 2026

Techno Brain Global Business Services ("Techno Brain GBS LLC" or the "Company"), a global technology and business solutions provider, today announced the appointment of **Mr. Orebambo “Bambo” Sofola** to its Board of Directors as a **Non-Executive Director**.

Mr. Sofola is an accomplished technology executive with decades of experience spanning software engineering, cloud technologies, global business development, and growth in emerging markets. Based in Seattle, USA, a global hub for technology and innovation, he brings over 30 years of distinguished experience from Microsoft, where he held several senior leadership roles, including General Manager positions. In these roles, he drove business growth, technology adoption, strategic partnerships, and market expansion across the Middle East, Africa, India, and Southeast Asia. He also played a key role in advancing technology-led innovation, talent development, and ecosystem partnerships across multiple industries.

Mr. Sofola’s appointment underscores Techno Brain GBS’s commitment to strengthening its governance framework, enhancing its market position, and accelerating growth across its technology, engineering, and business services portfolio.

Manoj Shanker, Executive Director, Techno Brain Group, said:

“We are delighted to welcome Bambo to the Board of Techno Brain GBS. His extensive leadership experience, global perspective, and deep understanding of technology-driven business transformation will be invaluable as we expand our market presence, pursue new opportunities, and advance our long-term growth strategy.”

As Non-Executive Director, Mr. Sofola will provide independent oversight and strategic guidance on market expansion, technology trends, strategic partnerships, go-to-market initiatives, emerging solutions, and long-term growth opportunities.

Rahul Srivatsa, Managing Director of Techno Brain GBS LLC, added:

“We are pleased to welcome Bambo to Techno Brain GBS at a defining moment in our growth journey. His appointment reflects our ambition to lead with AI, cloud, and digital innovation as we help clients reimagine operations, strengthen competitiveness, and drive transformation at scale.”

Mr. Orebambo “Bambo” Sofola said:

“The future belongs to organizations that connect innovation with impact. Techno Brain GBS has a unique opportunity to help enterprises and institutions harness emerging technologies to accelerate transformation, improve competitiveness, and unlock new opportunities for growth. I am excited to join the Board and work alongside the leadership

team to expand the Company's impact, strengthen strategic partnerships, and create sustainable long-term value for all stakeholders."

The appointment further reinforces Techno Brain GBS's focus on strong corporate governance, industry credibility, and leadership depth as the Company continues to expand across global markets.

About Techno Brain GBS

Techno Brain GBS is a global technology and business solutions provider headquartered in Seattle, USA, with a presence in Africa and India, delivering digital transformation services, IT consulting, engineering services, business process services, and technology-enabled solutions to enterprise and public sector clients across multiple geographies.
